Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	Housing numbers don't stay in line with Ashington village plan. No real benefit for Ashington residents apart from a football pitch and some allotments that we already have. Poor road access to site, having to use already busy road junction. lack of allocated parking on site. No fencing of woods for forest schools area meaning school will not be able to use this site meaning lose of jobs (2 forest schools teachers). No provision to increase school size meaning local children will have to travel by car to schools in other villages.

Kind regards
