Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise
Comments:	Badly planned and little thought to the current village people No mention of a doctors or building to the current school Will there be a new shop for all villagers as the current one will not be able to cope Will church lane and the sand be re developed to accommodate the heavy increase of traffic Will the church be forced to stop paying on the road due to the increase in traffic Shows a football pitch but no parking so are we expected to Park in and around the new housing estate Why is it when ask to improve the current facilities the parish council said they would only improve once the build had begun.

This area should not be given planning and little to no thought has been taken for the current villagers

Kind regards
