Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	Although issues with existing inadequate infrastructure (roads, water, drainage, schools, GP services, public transport, parking, etc) are well known, my main objections are that 1. Deviation from the agreed Neighbourhood Plan 2. Significant increased on housing numbers resulting in reduction of green spaces. 3. Plans and supporting documentation fraught with inconsistencies

Kind regards
