Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	The access to the proposed site is a narrow lane with inadequate passing space for 2 way traffic. This would also cause a hazard to pedestrians walking to the school, Church and community centre, as the pavement is very narrow along Church Lane. The school is already full, therefore children will need to travel to schools outside of the village. This will add to the heavy traffic at peak times through the village.

Kind regards
