Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	The village of Ashington does not need any more housing, any new development in the area planned will cause a significant impact on the nearby school and access roads. There is a risk of this overdevelopment increasing noise and road pollution, as well as putting pressure on the small local school without any significant provision to be made by the developer. The offering made by Belway to appease the planning application is poor and at best, the cheapest scenario they are willing to contribute to the village amenities.

Kind regards
