Reasons for comment:	
Comments:	The roads which will lead to the new development are unsuitable... with speed bumps, many parked cars and are not designed for the weight of traffic they will be put under (specifically Church Lane, Rectory Lane - The Sands) The village school will become oversubscribed as it only has one class per year group - It's a lovely village school. The next nearest schools would be parents having to drive their children to school. The shops on Turnpike Way already struggle with the traffic outside and the parking area is inadequate for the village as it is, let alone any more.

Kind regards
