Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment
Comments:	This development will wipe out the forest which is used for the school and children's learning. The paving over of green land increases flood risk and with no space for additional amenities to support the proposed additional homes the local infrastructure will be grossly overburdened. Please think of the long term loss over the short term profit.

Kind regards
