Comments:	Church Lane is very congested at peak times. How is this Lane going to cope with a huge increase in traffic. Where are the additional services? It will put a huge strain on the local infrastructure. A GP practice is needed in the village as it is so difficult to get an appointment in Storrington. What about water neutrality? With 180 houses proposed that will put a huge strain on the water supply and other utilities. I strongly object to this proposal.

Kind regards
