Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Privacy Light and Noise
Comments:	Three storey buildings in this field at Woodfords are not a suitable planning option. The materials being used are not the same as the outline plan, which originally were although a guideline, gave a positive suggestion of barn style buildings single storey and in keeping materials suitable for the West Sussex countryside. I now have been informed not by any official letter but by a neighbour that planning is in progress for THREE STOREY buildings with no

suggestion of suitable in keeping designs and materials. Three storey buildings will not be in keeping for this site, will be intrusive for existing neighbours and harmful to the local wildlife.

Kind regards
