Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	We have a massive development underway in North Horsham already, this development will erode the few green spaces left in an area. One we regularly take a stroll around. Traffic at the A264 roundabout is busy as it is, being one of the main arteries into Horsham. Once planned new development is complete it will become a nightmare. This development will make

it even worse.

There is no need to develop on this land when just down the road there is whole new estate being built.

Kind regards
