Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	If the plans as submitted are approved traffic from A264 travelling along the B2195, Crawley Road will become gridlocked. The improvements planned for the Moorhead Roundabout as part of the Mowbray Development will have very little affect if the access road to this development is constructed. I suggest that a traffic survey be carried out which should include both peak times and this will substantiate my concerns.

The site is part of the High Weald National Landscape and as such should be protected. Horsham is slowly losing its open spaces and countryside being covered by housing developments. Enough is enough and we should stand together to protect what little is left.

Kind regards
