Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	I STRONGLY object to the development of 120 houses for numerous reasons. Firstly, there is already a lot of congestion on Crawley road leading up to the Moorhead roundabout. Especially during rush hour and school times. The traffic quite frequently passes Lambs

Farm Road in the mornings. Adding 120 houses will make this route not just even busier but also dangerous. Secondly our beautiful Greenland is already being destroyed with the overdeveloped of Mowbray Village just up the road. This land is in part of the high weald national landscapes. Wildlife and eco systems will be impacted with pollution from cars, noise & lights. This development will add more strain on our doctors and dentists and just general population of Horsham. We are lacking in local infrastructure of the above and also more pressure on what is our 'local' hospital of East Surrey.

Nothing has changed since the last appeal back in 2020 was submitted.

Kind regards
