Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	Further development of the village on the grounds that the existing infrastructure is already under significant pressure. There is a lack of adequate amenities, limited space for residents, and insufficient parking provision. Additional development would place further strain on these resources, increase congestion, and negatively affect the quality of life for existing residents.
