

This architectural drawing shows the front elevation of a building. The roof is made of corrugated metal. The facade is light-colored and features two small, square, double-hung windows positioned symmetrically. Below these windows are two large, double doors, each with a transom window above it. The doors and windows are framed in a darker material. A dashed line at the bottom indicates the ground level.

A simple line drawing of a house. The house has a gabled roof with a chimney on the right side. The walls are filled with horizontal lines. The drawing is positioned on the left side of the page, with a large blank area to its right.

A line drawing of a house with a gabled roof. The roof is filled with horizontal lines. On the left side, there is a chimney. A dashed line runs horizontally across the bottom of the house.
