Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity
Comments:	I understand this area is within the High Weald Landscape and would hope that gives it some form of protection from this destruction of the countryside. In addition there is a huge amount of development near it on the Mowbray estate and thus this should be retained as a piece of our rapidly reducing countryside.

Kind regards
