Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	The traffic getting in and out of Horsham is ridiculous, even at off peak hours, this development will just add to the stress of limited infrastructure that Horsham is already experiencing. Not only will it be even more of a nightmare to drive on the roads, it will also be an eyesore and affect local habitats.

Kind regards
