Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is an unnecessary -the loss of green space for just 120 when L&G are developing across the other side of the A264 seems pointless and detrimental to the area. No services delivered either as part of the development. Traffic volume is already an issue - without the L&G development, I don't know how on earth the A264 will cope with this traffic.

Kind regards
