Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	The traffic along the B2195 is already horrendous at rush hour, adding in extra houses in that part of the town is going to make it worse. I can tell you that it is really difficult to turn out from Old Crawley Road as it is with cars coming off the roundabout very quickly so having even more traffic turning out of that junction is going to make it very dangerous.

Kind regards
