Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	Losing that green space would not only be a tragedy for the nature but for this side of Horsham as a whole. The main road is already a nightmare at rush hour to get down to the roundabout and this would only make this 10x worse. There is already too much pressure on local GP surgeries and amenities. This would be a huge shame and I do not support this development.

Kind regards
