Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	How many more times do we have to object to planning for more houses in this field/area. It is in the protected Weald Area of Outstanding Natural Beauty in the main, we have nearly 3,000 houses being built on the other side of the A264 opposite to this field - further development in this area will create havoc as far as traffic congestion is concerned, it is also a haven for wildlife, and

being a field and wooded area used by many members of the public, especially during Covid. Please let us keep some of our protected countryside!

Kind regards
