Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	With the new Bohunt development under construction and expansions, the knock on effects from the 'new' and 'revised' roundabout creates heaps loads of traffic in the morning. 9 times out of 10, from 7:30-9am, the top of Crawley Road and beyond is held at a standstill. With a new development being proposed on the same area as the traffic, I can't see how this is going to improve any traffic flow? Especially if the new estate will be attached to OLD Crawley Road as an out turning.

Kind regards
