| Stance:              | Customer objects to the Planning Application                                                                                                                                                                                                                                                                   |
| Reasons for comment: | <ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Overdevelopment</li><li>- Privacy Light and Noise</li><li>- Trees and Landscaping</li></ul>                                                                                                                                       |
| Comments:            | <p>This is a significant development that will have a lasting impact on our local area - including additional traffic, pressure on local infrastructure, loss of countryside and the impact on the surrounding landscape, woodland and public footpaths.</p> <p>Also hold a potential environmental hazard</p> |

Kind regards
