On behalf of: Mick Augustus

Fell 1x Oak and Surgery to 1x Oak

Twin Oaks 9 Haglands Copse West Chiltington West Sussex

as shown on Plan and Application Number DC/24/0089 submitted to the Council on 15/03/2024. The reasons for the Council's decision on the above works are specified hereunder.

REFUSE , on the grounds that:

1 Presently from the information provided and that observed on site, there is insufficient evidence to determine that the tree is structurally comprised to the extent required to justify its removal, and the impact on the amenities of the area this action would have.

PERMIT , subject to the conditions hereunder:

2 The tree work to which this consent relates shall be carried out within two calendar years of the date of this consent.

Reason: To enable the Local Planning Authority to review the need for the works in the event of this consent not being implemented.

3 The tree work to which this consent relates shall be limited to:

- T1 Remove any deadwood.
- T2 reduce in height by reducing upright stems/branches back to suitable growth points by up to no more than 1.5m. Reduce the East, South and West sides of the crown by 2m, and the northern side by 1.5m to shape the crown, accordingly, remove any dead wood and thin crown by up to no more than10%

Reason: for the avoidance of doubt.

4 The surgery to which this consent relates shall be carried out in accordance with BS 3998 'Recommendations for Tree Work' (2010). Where applicable, retained side shoots intended to form the new dominant shoot must be at least 30% of the diameter of the parent branch.

Reason: To ensure that the surgery is carried out in accordance with best arboricultural practice.

Note to Applicant
The applicant is strongly advised to ensure that the contractor carrying out the work is made aware of the above conditions. Should the works carried out exceed that which is permitted then it may be open to the Local Planning Authority to take prosecution action against any person who has caused or permitted this. If the applicant is unclear about any aspect of the specification for works, they are strongly advised to contact the Council's Arboricultural Officer on 01403 215515 prior to the commencement of the works.

Note to Applicant
The applicants attention is drawn to the provisions of both the Wildlife and Countryside Act 1981, and the Countryside & Rights of Way Act 2000. Under the 2000 Act, it is an offence both to intentionally or recklessly destroy a bat roost, regardless of whether the bat is in the roost at the time of inspection. All trees should therefore be thoroughly checked for the existence of bat roosts prior to any works taking place. If in doubt, the applicant is advised to contact the Bat Conservation Trust at Quadrant House, 250 Kennington Lane, London, SE11 5RD. Details: Tel: 0345 1300 228; E-mail: enquiries@bats.org.uk
