Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Further development is not wanted by a lot of people in the village, some families of which have been here for over 100 years. There are not enough services to support those living in Ashington as it is. The village also has wildlife that will be effected by further land being taken away including deers, foxes, rabbits & hares, owls, birds of prey, nesting birds, migrating birds, nightingales etc and bats.

Kind regards
