Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other
Comments:	The current road infrastructure cant cope with current number of dwellings let along another 300+ vehicles. There is no alternative access other than Storrington Road which is not fit for purpose. The village has already grown considerably over the last 10 years, there are much more viable areaa to develop which have more suitable infrastructure.

Kind regards
