Reasons for comment:	- Loss of General Amenity
Comments:	Although I agree that the school buildings need updating my objection is the Astro should be replaced with an Astro which is the only surface that hockey can be played on. Southwick hockey club uses this Astro as their home pitch. We have 2 men's and two ladies teams competing in the local Sussex league. We were moved from Shoreham Academy when their Astro was replaced

with 3G to Portslade which was later also replaced with 3G and now we're under threat of losing our home pitch again. There are no Astro pitches where hockey can be played in the area. Please consider replacing the current Astro pitch with a new Astro

Kind regards
