Reasons for comment:	- Loss of General Amenity
Comments:	The replacement of the astro with 3g is detrimental in terms of sports provision for Horsham district. The local Playing Pitch Strategy has identified a shortage of facilities suitable for hockey within Horsham District. The removal of the astro at Steyning will cause an under supply of hockey facilities. The recommendations stated in the PPS must be taken into consideration:

- That existing hockey pitches are protected.

- Prevent replacement of astro pitches with 3g unless there is provision for an astro in a new development.

Steyping already has 3g pitch provision and adequate provision for football.

Kind regards
