Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This is a completely unsuitable place for extra housing. The road is dangerous as it is & with Hilliers almost opposite it will be an accident waiting to happen. You will have blood on your hands if this is approved. Horsham is disappearing under a blanket of concrete which can

never be undone.

The 'countryside' landscape & wildlife habitat is being destroyed & this cannot be allowed to continue.

We do not have the infrastructure or amenities to sustain all the extra housing that has & is being forced upon Horsham & surrounding areas. Doctors, dentists, hospital facilities to name few.

We have issues with flooding in various locations due to the loss of flood plains & natural drainage.

Enough is enough & the people need to be listened to.

Horsham is no longer the 'market' town it once was & the whole area is in danger of becoming a vast sprawling concrete jungle from Crawley right through to Buck Barn/West Grinstead & beyond.

Not acceptable & should be refused along with any other requests.

We have had more our fair share & it is time to stand up & say no.

Kind regards
