Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	I am a client of one of the business' in Kings Court and several times I have tried to park in one of their spaces to no avail due to a school that is trading from this small business park. I have had to go to Lidl and park there on several occasions now. One of the reasons I use this business is parking accessibility which it has not had.

Kind regards
