Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	With reference to the above appeal for the removal of conditions 6,7, 19,20,40 and 41. All of the conditions were originally put on by your professional experts and debated at length so I see no reason why they should be removed otherwise it seems to make a mockery of it all if it can be changed that easily, these are also environmental conditions [redacted]

Kind regards
