This message needs your attention

- This is their first email to you.

Dear Sirs,
Thank you for your letter dated 3 Aug.

The tree surgeon having inspected the trees says that the growth has exceeded the original pollarding estimate of upto 2m. Indeed the growth on the most northerly tree will require a cut of approx 3.5m to get back to the previous points.

The Tree Surgeon, Simon Zac has advised me to contact you should an amendment be required to the application.

Yours faithfully

Vivien Coates
