Horsham District Council

Mr James Garside
James Garside Planning
8 Danetree Close
Epsom
KT19 9SU

Application Number: DC/25/0979

TOWN & COUNTRY PLANNING ACT, 1990 (as amended)
TOWN & COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Mrs Elaine Barter

In pursuance of their powers under the above-mentioned Act and Order the Council hereby notify you that they PERMIT the following development, that is to say:

Variation of Condition 6 of previously approved application DC/17/2086 (Retention of existing kennels and re-homing centre with ancillary overnight accommodation. Extension to existing detached outbuilding in connection with this use) to allow use of the overnight accommodation as a primary residence in connection with the kennels and re-homing centre.

Highgate Hammerpond Road Plummers Plain West Sussex

to be carried out in accordance with Application No. DC/25/0979 submitted to the Council on 23/06/2025 and subject to compliance with the plans/documents and conditions specified hereunder.

Biodiversity Net Gain Condition
Please note the requirement within the Environment Act 2021 for development to deliver a minimum of 10% net gain in biodiversity may be applicable to your development. In the event your development is required to achieve a minimum 10% net gain in biodiversity then a Biodiversity Net Gain Condition (separate to the main list of conditions) will appear on your decision notice requiring the submission of a Biodiversity Gain Plan for approval prior to development commencing.

Emma Parkes
Head of Development and Building Control

Date: 22/08/2025

1 **Plans Condition**: The development hereby permitted shall be carried out in accordance with the approved plans listed in the schedule below.

Schedule of plans/documents:

Plan Type	Description	Drawing Number	Received Date

Elevation & Floor plan	Existing Floor Plans and Elevations	EX02	11.08.2025

Reason: For the avoidance of doubt and in the interest of proper planning.

2 **Regulatory Condition**: Within 3 months of the date of this permission a scheme for the disposal of waste shall be submitted to the Local Planning Authority for its written approval. The scheme shall be implemented in accordance with the approved details within 1 month of such written approval being given. The scheme shall thereafter be retained as such.

Reason: To ensure adequate parking, turning and access facilities are available to serve the development in accordance with Policy 40 of the Horsham District Planning Framework (2015).

3 **Regulatory Condition**: Within 3 months of the date of this permission details of on-site parking, turning and access facilities shall be submitted to the Local Planning Authority for its written approval. The on-site parking, turning and access facilities shall be provided in accordance with the approved details within 1 month of such written approval being given. The parking, turning and access facilities shall thereafter be retained as such.

Reason: To ensure adequate parking, turning and access facilities are available to serve the development in accordance with Policy 40 of the Horsham District Planning Framework (2015).

4 **Regulatory Condition**: Notwithstanding the provisions of Part 2, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) (or any Order revoking and re-enacting that Order with or without modification), no gates, fences, walls or other means of enclosure and no building as defined in Section 336 of the Town and Country Planning Act 1990 shall be erected on the site without express consent of the Local Planning Authority first being obtained.

Reason: To enable the Local Planning Authority to regulate and control the development of land having regard to Policies 26 and 33 of the Horsham District Planning Framework (2015).

5 **Regulatory Condition**: The hereby approved use shall be used as a kennels and rehoming centre, as set out in the Design and Access Statement dated September 2017, and for the keeping of horses and other small animals and shall not be used for any other purpose without the express consent of the Local Planning Authority.

Reason: To safeguard the amenities of neighbouring properties in accordance with Policy 33 of the Horsham District Planning Framework (2015).

6 **Regulatory Condition**: The overnight accommodation, within the building indicated on drawing no.EX02 received 11/08/2025, shall only be used in connection with the kennels and rehoming centre.

Reason: The establishment of an additional independent unit of accommodation would give rise to an over-intensive use of the site and lead to an unsatisfactory relationship between independent units of living accommodation contrary to Policies 1, 3, 4, 26 and 33 of the Horsham District Planning Framework (2015)

Note to Applicant – Biodiversity Net Gain Condition
Paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 states that planning permission is deemed to have been granted subject to the "biodiversity gain condition" which means development granted by this notice must not begin unless:

(a) a Biodiversity Gain Plan has been submitted to the planning authority, and

(b) the planning authority has approved the plan.

Under Regulations 4, 5, 7 & 8 of the Biodiversity Gain Requirements (Exemptions) Regulations 2024 the statutory biodiversity gain condition required by Schedule 7A to the Town and Country Planning Act 1990 (as amended) does not apply in relation to planning permission for development which:

1. does not impact an onsite priority habitat (a habitat specified in a list published under section 41 of the Natural Environment and Rural Communities Act 2006); and impacts less than 25 square metres of onsite habitat that has biodiversity value greater than zero and less than 5 metres in length of onsite linear habitat (a hedgerow habitat or watercourse habitat identified for the purposes of the biodiversity metric);

2. is the subject of a householder application within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015;

3. is undertaken solely or mainly for the purpose of fulfilling, in whole or in part, the biodiversity gain planning condition which applies in relation to another development (In determining whether a development is undertaken solely or mainly for this purpose, no account is to be taken of any facility for the public to access or to use the site for educational or recreational purposes, if that access or use is permitted without the payment of a fee);

4. consists of no more than 9 dwellings, is carried out on a site which has an area no larger than 0.5 hectares, and consists exclusively of dwellings which are self-build or custom housebuilding ("Self-build or custom housebuilding" has the same meaning as in section 1(A1) of the Self-build and Custom Housebuilding Act 2015 (as amended)).

Based on the information submitted in the planning application documents, the Planning Authority considers that this permission is exempt from biodiversity net gain, and as such does not require approval of a biodiversity gain plan before development is begun.

Statutory exemptions and transitional arrangements
There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at https://www.gov.uk/guidance/biodiversity-net-gain.

Irreplaceable habitat
If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

Note to Applicant
Please be advised that there are conditions on this notice that will require the submission of details to be submitted for approval to the Local Planning Authority. To approve these details, you will need to submit an "Application for approval of details reserved by condition" with an application form and pay the appropriate fee. Guidance and the forms can be found at planningportal.co.uk/planning/planning-applications

Note to Applicant:
Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos
If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations, or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required, or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It is the responsibility of the developer to provide bins for the development. If you are a developer and need to purchase bins, please email hop.oast.admin@horsham.gov.uk.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Compliance with the Approved Plans and Conditions
The development hereby approved must be implemented in accordance with the approved plans and any conditions set out in the Notice. Some of the conditions may specify that works are to be carried out, and/or details submitted and approved before all or part of the development is started. These will appear in the 'Pre-Commencement Conditions' section of the Notice.

If works on implementing this permission is started without these requirements being fully met, the development may be unauthorised and the permission invalidated, and could lead to enforcement proceedings or in some cases to prosecution.

Amendments
Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non-material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring
Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Conditions Compliance
Requests for confirmation of compliance with conditions associated with that permission should be made in writing or by using the application form 'Approval of Details Reserved by Conditions'.

A request may be for confirmation that one or more conditions imposed on the same permission have been complied with. We aim to respond within 8 weeks of receipt of the request.

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
