Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	The village has no public transport therefore traffic will be a big problem. As will parking as the houses are only having one parking space. Tge houses at Sumners have not all sold, so obviously need for

further development.
Flooding is also a problem with surface water already too much

Kind regards
