

Ashurst C of E Primary School Photos

19/8/26

Figure 1 Eastern end of school building, as viewed from the playground

Figure 2 View of eastern end of school from School Lane, looking NW

Figure 3 View north from School Lane of the roof where the solar PV panels are proposed to be installed

Figure 4 View north from School Lane of the roof where the solar PV panels are proposed to be installed

Figure 5 Front of school, looking north

Figure 6 View NE from School Lane of Grade II listed School House and later extension

Figure 7 View NE from School Lane of Grade II listed School House

Figure 8 Rear of listed section of school, looking E. Note that access to the rear of the school is limited due to the school building being built up to the edge of the boundary of the site.

Figure 9 View of school roof from the eastern end of the building. The rear of the school on this side of the building is not accessible due to the fencing abutting the building along the site boundary.
