FAO: Daniel Holmes

Dear Daniel,

Providing the water tanks identified as an alternative water supply for firefighting are in place and ready for use prior to any occupation of any dwelling on site, and West Sussex Fire & Rescue Service are made aware it is ready for use the condition raised will be met. Unfortunately, on too many occasions WSFRS are not informed when water supplies for firefighting are available prior to dwelling occupation, which then puts lives and properties at a grater risk in the event of a fire.

Regards
Ian
