Hi Rob

Apologies. this is one of mine.

I missed Shazia's response to my initial response . I have looked at the noise levels provided from the manufacturers data book and this confirms that the ASHP should have any adverse noise impacts on the neighbouring occupiers.

Accordingly I am happy for the condition to be discharged.

Regards

Lee

Hi Lee

We consulted EHO on this one a while back- comments were due at the start of the month. Do you know who in your team was looking at this one?

Thanks

Rob
