Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Myself and my family have frequented the Blue Ship for fourteen years and we are absolutely in support of the proposed planning. I feel it is hugely important that we all do our utmost to support a wonderful local business, so that they are able expand and be as successful as possible in such a trying time for pubs. I believe that the proposed extension, to such an important social hub for our local community, can only be of benefit to us all.

Kind regards
