Lawful Development Questionnaire

Application No: DC/26/1087

Applicant: Mr R Carter

Description of Activity: Application to confirm the use of the property known as Firhaven Barn as an independent dwelling (Lawful Development Certificate - Existing).

Site Address: Firhaven Rock Road Storrington West Sussex

Your Name and
Address:

Hamper End
Rock Road
Storrington, RH20 3AE

Information being requested – Please answer the following questions as fully as you can. Any information you can provide is important. Thank you.

1. Do you know the site and if so from about what date and how?
e.g. because you are a neighbour or have been there or seen activity etc.

We know the site 'Firhaven' as we have lived in the neighbouring property since 2001. We have no knowledge of 'Firhaven Barn'. We presume this refers to the garage that had a planning application to add an occasional use games room above.

2. Do you know who operates from the site or lives there? If so who?

We know that Mr. & Mrs. Carter live at 'Firhaven'. We believe that the occasional use games room is being used more than its intended purpose.

3. Are you aware of the Activity described above and if so from when.
How would you describe what goes on or what is there?
What do you know of the use or development that exists and how do you know? Does it affect you in any way i.e. noise, traffic, views?

We are aware of open windows and lights are visible from bedroom windows in our property. It overlooks our garden reducing our privacy, cars enter and leave the property frequently.

4. Would you like to tell the Council anything else that you think the Council ought to be aware of at the Site?

If a Lawful Development Certificate is approved this would change the occasional use room into a permanent independent dwelling which is a change from the planning application. We would be concerned that it would adversely impact our property and would likely be developed further.
