Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	This is yet another damaging development to a small village. There is no need for 31 houses this is just Shanly Homes trying to cash in. There is no infrastructure to support these houses as both water and sewage are already insufficient for the existing village. There is currently no power available for Sumner building site. Further to this DC/25/2057 planning application was refused for the very same reasons

Kind regards
