Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this planning application because; The town is overpopulated as it is, there are not enough amenities to support everyone living in the village . There is not enough schools, families will have to travel further to allow children to get education . This will impact them financially but also affect people's job where employers are not as flexible with working hours .

Doctors will be overpopulated, causing many people having delayed diagnosis

A quiet village will now turn into a hectic and busy village .Cars constantly on the road .

Developers should think about building coffee shops, restaurants rather than building homes .

I hope you take my comments into consideration.
Thank you

Kind regards
