Dear Ms Wilkes

T&CP (Development Management Procedure) (England) Order 2015
& Planning (Listed Buildings & Conservation Areas) Regulations 1990

BRAMBER BROOK THE STREET BRAMBER WEST SUSSEX
Application No. DISC/24/0166

Thank you for your letter of 12 July 2024 regarding the above application for planning permission.

Historic England provides advice when our engagement can add most value. In this case we are not offering advice as the details relate to ecology conditions. This should not be interpreted as comment on the merits of the application.

However, we do think it necessary to ensure that the applicant is aware that Bramber Brook is close to the scheduled monument Group of salterns and a possible moat 250m east of Bramber Castle (NHLE 1015718).

We understand that proposed scheme has been designed to be as sympthetic to the scheduled monument and archaeology which may be of equal significance, and as per the previosly submitted document Written Scheme of Investigation for Archaeological Supervision and Investigation' (WSI) (by JBA Consulting, dated 23 August 2023 (ref: A4 - C01). All works should be in accordance to this WSI as per condition 15 (DC/23/1776).

We suggest that you seek the views of your specialist conservation and archaeological advisers. You may also find it helpful to refer to our published advice at https://historicengland.org.uk/advice/find/

It is not necessary to consult us on this application again, unless there are material changes to the proposals. However, if you would like advice from us, please contact us to explain your request.
