Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	Hi, Great to see that the existing unit will be downsized as i have always thought its not the most attractive building you see as you drive into the village. As well as the unit being downsized would be great it somehow it was made to look more in keeping with the area. Some form of landscaping rather than just a concrete pad and a

metal box?
Thanks

Kind regards
