Reasons for comment:	- Design
----------------------	----------

Comments:	Tidy developments of this type should be welcomed by the neighbourhood. The land opposite Exfold Farm and East of Woodfalls Manor has been an eyesore for the last 20 years at least. Here is a reasonable proposal that in my opinion will actually enhance this section of Bucks Green/Tismans Common without detriment to the local community. If we are to accept the need for housing developments in our village areas we should be glad to accept sensible and balanced proposals such as this one.
